

KHUSHAL KHAN KHATTAK UNIVERSITY, KARAK
Compliance Report against IPE Panel Report of QAA-HEC

Compliance Report

①

Name of DAI: **Khushal Khan Khattak University, Karak**

Date of Implementation: **May, 2021**

Date of IPE Panel Visit: **13-14 October, 2020**

Date of IPE Final Report: **November 04, 2020**

| FINDINGS/OBSERVATIONS AS PER IPE REPORT | | STATUS AFTER COMPLIANCE | |
|---|---|---|----------------------|
| S.No | Description of Findings | Description of Compliance | Supporting Documents |
| 1 | The University has acute shortage of experienced senior faculty and administrative staff, i.e., Associate Professors and Professors. As a result, there is no Dean in its two faculties. | The faculty positions have already been advertised and will be filled soon. | Annex-A |
| 2 | Faculty hiring plans are missing and needs to be developed for strengthening the existing departments, and also for launching of new programs. Lack of sufficient number of faculty members has led to very high students to teacher ratio. | A committee has been constituted to develop faculty hiring plans for strengthening of the existing departments and also for launching new programs. | Annex-B |

Compliance Report against IPE Panel Report of QAA-HEC

| | | | |
|---|--|---|---------|
| 3 | New departments have been created and are functioning without any regular faculty. | The regular teaching faculty positions were created by the F&PC and approved by the Syndicate and Senate. The advertisement has already been floated to appoint the faculty on regular basis. | Annex-A |
| 4 | PERN is available in the campus but underused. Its availability is limited to students and faculty at specific locations in the campus. Absence of Wi-Fi facility on campus is another impediment. | PERN is already installed and in working condition. Further, local Area Network in the University has been demanded, however, HECs Smart University Campus Project is deployed and more than 70% Blanket Wi-Fi accessible via "eduroam" | Annex-J |
| 5 | Non-availability of continuous electricity supply to smoothly run the university. | A PC-I titled "Construction of Main Campus of Khushal Khan Khattak University, Karak" costing Rs. 1,721.767 Million has recently been approved by the HEC. The 'Provision for Bifurcated 11KVA Feeder/HT line' is a component of this project for which a Committee was also constituted for determining the actual load / specifications / layout design of this 11 KVA dedicated feeder. The Committee will furnish its final recommendations before the first release of payment of the project which is expected in August, 2021 and will apply for procurement of this dedicated feeder. | Annex-C |

KHUSHAL KHAN KHATTAK UNIVERSITY, KARAK
Compliance Report against IPE Panel Report of QAA-HEC

| | | | |
|---|---|--|-----------------|
| | | This will resolve the issue of shortage of continuous electricity supply to smoothly run the university. Tentative Date of Completion: 30 th June, 2022 | |
| 6 | Non-availability of uninterruptible power supplies (UPS) in the computer labs and server machines to avoid loss of data during switch-over between internal and external supply of electricity. | UPS have been purchased already and provided to the Labs/Server Machines. | Compliance done |
| 7 | Non-holding of convocation of the University. | A committee is constituted vide Notification No. 716/Estt/KKKUK/21. 1 st meeting of the committee is held on dated 07 April, 2021. | Annex-D |
| 8 | To Avoid launching of postgraduate programs and focus on undergraduate programs till removal of shortage of faculty. | Department of CS&BI: The department has the required number of faculty to offer MS programs. Department of Management Sciences: For MS Management Sciences, our department has sufficient faculty. Furthermore, admission in PhD finance is halted until a permanent PhD finance faculty is hired. Department of LIS: The department of library & Information Sciences has sufficient faculty | Annex-A |

Compliance Report against IPE Panel Report of QAA-HEC

| | | | |
|----|---|--|---|
| | | Department of Education & Research: Admissions in MPhil Education is halted. One Teaching Faculty is on study leave for higher studies and will join the University after completion of her PhD Degree. | |
| 9 | Library has good number of books, however, the number of text books for some academic programs are inadequate. | Although in transition period, the University purchased number of books through Open Book Fairs by consultation/selection of the faculty. However, the procurements of books under University project is in the final phase of UPC, process and the books so procured would be adequate to cover the deficiency of the text books. | Annex-E |
| 10 | The University needs to revisit its vision and mission statements to integrate its mission into goals and develop process of evaluation for achievement of these goals. | The Committee as constituted for the purpose have already revisited the vision and mission statements of the University. | Copies of the Minutes attached as Annex-F |
| 11 | Revision of Remuneration Rates to attract quality visiting faculty | The revised rates of remuneration have already been approved by the Syndicate. | Compliance done |
| 12 | University is very scanty in SOPS. Needs to strengthen various internal procedures through SOPS, which should be well-circulated. No handbook is available for the faculty or the students. | The Khushal Khan Khattak University, Karak has developed various SOPs and Rules for internal procedures which have been approved by the Syndicate. | Compliance done |
